VILLAGE OF SCHOOLCRAFT EMPLOYMENT OPPORTUNITY GROUNDS/BUILDING AND WATER MAINTENANCE/EQUIPMENT OPERATOR

Full Time Position:

Grounds, Building & Water Maintenance/Equipment Operator

Compensation:

\$16.00 per hour

Health, Vision and Dental Coverage

Defined Contribution Retirement Program

Typical Duties and Expectations of an Equipment/Water System Operator

- Lifting 80 lbs. with or without accommodation.
- Ability to report to work within 30 minutes notice (for emergencies and snow plowing).
- Ability to work a rotating on-call weekend shift (every third weekend).
- Ability to operate Village equipment in a safe manner.
- Ability to pass Michigan Water certification courses in the future.
- Have a general knowledge of municipal services and water system operations.
- Have a general knowledge of snow plowing and road maintenance operations.
- Have the ability to interact with the community in a positive and professional manner.
- Perform light maintenance on Village equipment and buildings.

Resumes will be accepted until position is filled. Qualified applicants will have a minimum high school diploma or equivalent supplements by training in equipment operations, ground maintenance, building maintenance or related field. Candidate must also pass an extensive background check, and physical and drug screening testing.

The Village of Schoolcraft is an equal opportunity employer. Resumes must include work experiences and references. If you enjoy a variety of work tasks, this job may be the one for you.

Open until filled.
