

VILLAGE OF SCHOOLCRAFT HAZARDOUS SUBSTANCE REPORTING FORM

Note: This form must be completed and submitted as part of the site plan review process

Name of Business: _____

Location of Business: _____

Name of Business Owner: _____

Mailing Address: _____

City: _____ State: _____ Zip: _____

Telephone: _____

I affirm that the information submitted in this form is accurate:

Owners Signature: _____ Date: _____

MANAGEMENT OF HAZARDOUS SUBSTANCES

1. Y N Will the proposed project store, use, or generate hazardous substances in quantities greater than 100 kilograms per month (about 25 gallons per month) now, or in the future? If yes, please complete the rest of the form and submit with your site plan. If no, stop here and submit with your site plan.
2. Y N Will hazardous substances be re-used and/or recycled on site?
3. Y N Will any hazardous substances be stored, used, or handled on site? If yes, identify the location, size, and type of spill containment facilities which will be used and provide details on the site plan?

4. Y N Will hazardous waste and/or liquid industrial waste be transported off-site for treatment, disposal, and/or recycling? If yes, please list the name, address and telephone number of your licensed transporter(s).

5. Y N Will new underground storage tanks be located less than 2,000 feet from drinking water well? If yes, contact Michigan Department of Environmental Quality, Storage Tank Division, (517-373-8168 for specific requirements and restrictions.

6. Y N Will the interior of the proposed project have any general purpose floor drains? If yes, into what system will the floor drains be connected? (provide detail on site plan).
- a) Sanitary sewer system
 - b) On-site holding tank(s)
 - c) A system authorized by a state approved groundwater discharge permit, with required monitoring (Contact: Michigan Department of Environmental Quality, Waste Management Division (616-567-3500)).

Note: General purpose floor drains shall not be connected to a storm drainage system, dry well or septic system.

7. Y N Please list the hazardous substances which are expected to be used, stored, or generated on site. Quantities should reflect the maximum volumes on site at any time. Attach additional pages, if necessary to list all hazardous substances.
