All work must meet the specifications standards for the Village of Schoolcraft and receive certified approval of compliance, by an authorized agent of the Village.

The driveway location must be clearly identified at the project site by staking and flagging, or other method, so it can be easily found by inspectors making a field review. Information on stakes shall include the applicant's name, property address and, where applicable, plat lot number. Failure to provide this information may delay issuance of permit.

I certify that I accept the following:

1. Commencement of work set forth in the permit application constitutes acceptance of the permit as issued.
2. Failure to object within ten (10) days to the permit as issued constitutes acceptance of the permit as issued.
